2 alleged child molesters arrested

Over the last couple of days, two men were arrested on unrelated charges for child molestings that allegedly occurred in Harrison County. During the month of April, two separate unrelated allegations of child molesting were reported to the Indiana State Police by the Indiana Dept. of Child Services of Harrison County, one involving a female victim and one involving a male victim, both juveniles.

After investigations were completed, charges were filed and warrants were received out of the Harrison County Superior Court for Eric Laster and Lawrence (Ed) Nunley.

Eric W. Laster, 39, of Dickens,

Laster

Nunley

Texas, was arrested by the Texas Rangers on the Harrison County arrest warrant for Class A felony child molesting (two counts), and Class C felony child molesting (seven counts). He is waiting extradition back to Indiana from Texas.

Lawrence (Ed) Nunley, 41, of Palmyra was arrested by the Indiana State Police on an arrest warrant for three counts of a Class A felony child molesting, a single count of Class C felony child molesting and a single Class D felony for dissemination of matter or conducting performance harmful to minors. He was incarcerated in the Harrison County Jail on a \$100,000 bond.

In addition to showing a 7-year-old victim a pornographic movie, Nunley is accused of sodomizing, orally touching and fondling the victim.

Nunley has at least two other criminal offenses, both committed in 2007, in his background. He was

charged with domestic battery on Dec. 16 and 29.

Police said it is possible that there are other victims of these alleged molesters. If anyone has information on Laster or Nunley or if they are a victim of these men, they are encouraged to contact Det. Bill Wibbels at the Indiana State Police post at Sellersburg at 1-800-872-6743.

Assisting with these two cases are the Harrison County Sheriff's Dept., Corydon Police Dept., Harrison County Prosecutor's Office and Comfort House Child Advocacy Center in Corydon.
